2025 Graduate Career Outcomes Report

The 2025 Graduate Career Outcomes Report includes data from WSPH students in the graduating classes of August 2024, December 2024, and May 2025. Data was collected through the First Destination Survey via the Handshake Career Management Platform. All student response data is self-reported. Additional knowledge responses were obtained via social media platforms including LinkedIn.

The First Destination Survey was distributed to 462 students with degrees in the Tulane University Celia Scott Weatherhead School of Public Health and Tropical Medicine. Surveys were sent beginning one month prior to each graduation term. Data was collected for one-year post-graduation. Aggregate data below represents members of the August 2024, December 2024, and May 2025 graduating classes, and all data is self-reported.
