

New COVID-19 variants can affect your entire family.

Get tested regularly!

**For a free Âu Cơ test, contact VIET
(504-255-0400) or NOELA Community
Health Center (504-255-8665).**

**ÂUGMENTING
COVID TESTING
AMONG VIETNAMESE AMERICANS**

Âu Cơ is a public health research project. It is a collaboration among Tulane University, the NOELA Community Health Center, and VIET. Our goal is to assist New Orleans' Vietnamese American community in its efforts to minimize disease and pre-mature deaths from COVID-19.
