Was it the first time you laid eyes on them? How about that study night in Howie T going into the wee hours of the morning? Or maybe it was a reconnection during Wave Weekend? No matter the reason or season, a helluva hullabaloo always takes place when love is found at Tulane.

The 2023 edition of [True Love at Tulane](#) is here. Follow the link to read through the full feature, or scroll down to see some SPHTM-specific love stories!

JULIANNA LEWIS (PHTM '18) & THOMAS MORRIS (SLA '20 & B '20)

We met in 2016 on campus, went on 2 dates in New Orleans, and then went long distance while each studying and living over the next few years in Argentina, Vietnam, Mexico, Colombia, and Switzerland. Long distance finally came to an end when we got married in January of 2022 officiated by our Tulane Catholic Center chaplain. Thanks Tulane for launching our love story!

LEAH KAHN (SW '14) & STEPHEN KAHN (PHTM '14)

Stephen and I met on Valentines Day 2014 at Pal's Lounge while we were both Masters students at Tulane. Mardi Gras was coming up, and Stephen conveniently lived a quick walk from the St. Charles parade route. Recently single, I agreed to a date so I could use his bathroom during the parades. Nearly a decade later, we're happily married and expecting our second child in March!

DAISY GURDIÁN KANE (NC '07, L *10, PHTM *20) & CHRIS KANE (L *10)

My husband Chris and I met as 1Ls Tulane law school in 2010. Chris maintains that it was love at first sight but it wasn't until the summer of our 2L year that we grew to be more than just friends. We were at a Better Than Ezra concert with a group of friends at the House of Blues and by the end of the night we were dating exclusively. We've been together ever since! Fast forward 13 years later, we have 4 beautiful kids and are both practicing lawyers in NOLA.

SUSIE KIRSHENBAUM RAIZNER (B '90) & JEFF RAIZNER (SLA '89)

We met in geology class in Dinwiddy Hall my sophomore year. A few weeks later, we both had our last first date. We got married 3 years later, and here we are today married 31 lucky, beautiful years with 3 children, two of whom are also Tulane graduates PHTM '18 and B '22. Thank you Tulane♥
