

## 2019 BSPH Career Outcomes Report

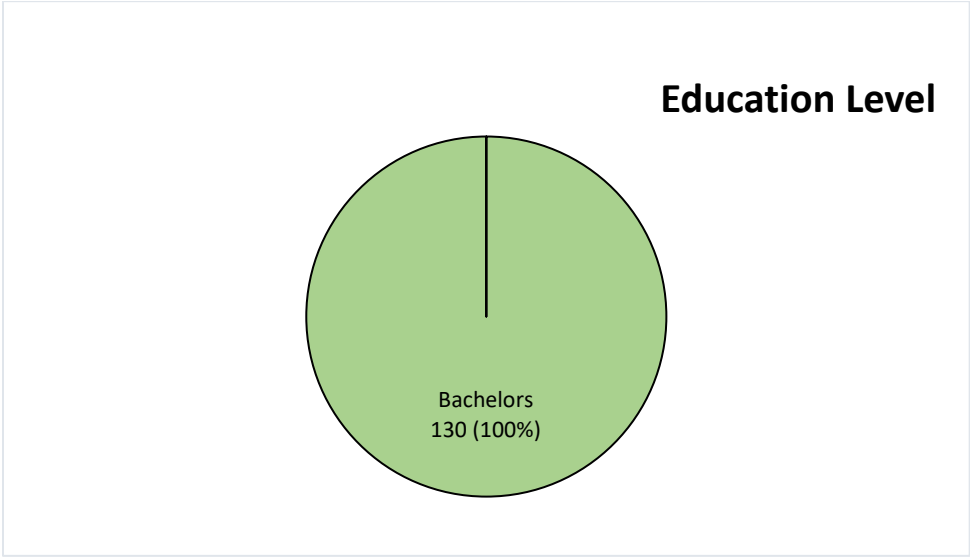

The 2019 BSPH Career Outcomes Report includes data from students who received a Bachelor of Science in Public Health degree in the graduating classes of August 2018, December 2018, and May 2019. Data was collected through the First Destination Survey via the Handshake Career Management Platform. All data is self-reported.

The SPHTM First Destination Survey was delivered to students with primary degrees in the Tulane University School of Public Health and Tropical Medicine. Surveys were sent beginning one month prior to each graduation term. Data was collected for one-year post-graduation. Aggregate data below represents members of the August 2018, December 2018, and May 2019 graduating classes, and all data is self-reported.

# 2019 BSPH Class Profile
