

2020 Graduate Career Outcomes Report

The 2020 Graduate Career Outcomes Report includes data from SPHTM students in the graduating classes of August 2019, December 2019, and May 2020. Data was collected through the First Destination Survey via the Handshake Career Management Platform. All data is self-reported.

The SPHTM First Destination Survey was distributed to 402 students with primary degrees in the Tulane University School of Public Health and Tropical Medicine. Surveys were sent beginning one month prior to each graduation term. Data was collected for one-year post-graduation. Aggregate data below represents members of the August 2019, December 2019, and May 2020 graduating classes, and all data is self-reported.

Data was not collected for students enrolled in the following Tulane joint degrees programs (MBA/MHA, JD/MHA).

Class of 2020 Profile
