

2022 SBPS Career Outcomes Report

The 2022 SBPS Career Outcomes Report includes data from students in the graduating classes of August 2021, December 2021, and May 2022 in the Social, Behavioral and Population Sciences Department, formerly the Global Community Health and Behavioral Science Department. Data was collected through the First Destination Survey via the Handshake Career Management Platform. All data is self-reported.

2022 SBPS Class Profile

Education Level

Of the 97 student recipients in the SBPS Department, 88 (91%) graduated with Masters Degrees and 9 (9%) graduated with a Doctoral Degree.

Breakdown by Degree

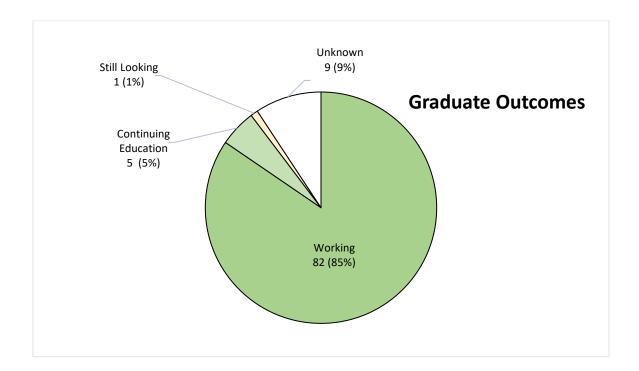

In the 2022 cycle, 88 students received Master of Public Health Degrees (Concentrations in Nutrition, Health Education and Communication, Social, Behavioral, & Population Sciences, Maternal and Child Health, and Community Health Sciences). 8 students received a Doctor of Philosophy Degree (Concentrations in Social Behavior and Population Sciences, Global Communication Health & Behavioral Sciences). 1 student received a Doctor of Public Health Degree in Global Community Health Sciences & Behavior.
