

2023 Graduate Career Outcomes Report

The 2023 Graduate Career Outcomes Report includes data from SPHTM students in the graduating classes of August 2022, December 2022, and May 2023. Data was collected through the First Destination Survey via the Handshake Career Management Platform. All data is self-reported.

The SPHTM First Destination Survey was distributed to 511 students with degrees in the Tulane University School of Public Health and Tropical Medicine. Surveys were sent beginning one month prior to each graduation term. Data was collected for one-year post-graduation. Aggregate data below represents members of the August 2022, December 2022, and May 2023 graduating classes, and all data is self-reported.

Class of 2023 Profile
