

2023 Epidemiology Career Outcomes Report

The 2023 Epidemiology Career Outcomes Report includes data from students in the graduating classes of August 2022, December 2022, and May 2023 in the Epidemiology Department. Data was collected through the First Destination Survey via the Handshake Career Management Platform. All data is self-reported.

2023 Epidemiology Class Profile

Education Level

Of the 40 student recipients in the Epidemiology Department, 36 (90%) graduated with Masters Degrees and 4 (10%) graduated with Doctoral Degrees.

Breakdown by Degree

In the 2023 cycle, 32 students received a Master of Public Health in Epidemiology, 4 students received a Master of Science (Concentrations in Epidemiology and Clinical Epidemiology), and 4 received a Doctor of Philosophy in Epidemiology.

Dept.	MPH	MS - Epidemiology	MS – Clinical Epidemiology	PhD	All Students	Survey Responses	Response Rate
EPI	32	2	2	4	40	35	88%

Epidemiology Response Rates and Outcomes

Of 40 Epidemiology student recipients, 35 responded to the SPHTM First Destination Career Survey for an 88% response rate.

Of the 35 students who responded, **100% are working or continuing education within 1 year of graduation.**

Epidemiology Graduate Outcomes

Dept.	Working	Continuing Ed.	Volunteering	Military	Still Looking	Unknown	Total
EPI	33	2	0	0	0	5	40

Employment by Sector

Of the 33 students that reported “Working” within 1 year of graduation, Employment Sectors included Higher Education, Healthcare, Government (Local, State, and Federal), Non-Profit – Other, Research, Information Technology, Journalism Media & Publishing, Management Consulting, and Scientific and Technical Consulting.

Top Sectors	Reported Students (% of Students Working)
<i>Higher Education</i>	11 (33%)
<i>Healthcare</i>	7 (21%)
<i>Government (Local, State and Federal)</i>	7 (21%)
<i>Non – Profit – Other</i>	2 (6%)
<i>Research</i>	2 (6%)
<i>Information Technology</i>	1 (3%)
<i>Journalism, Media & Publishing</i>	1 (3%)
<i>Management Consulting</i>	1 (3%)
<i>Scientific and Technical Consulting</i>	1 (3%)
Total	33 (100%)

Epidemiology Salary Ranges

The median starting annual salary range reported by Epidemiology graduates securing employment is **\$60,000 - \$69,999**. It is important to note that the salary data reported by graduates includes those that reported working as fellows or as full-time volunteers (i.e. Peace Corps) which typically offer a stipend and not a salary.

Of the 33 students that reported “Working”, 8 students (24%) chose to report their income.

Salary Ranges by Department

Department	Total Students	Reported “Working”	Provided Salary	Median Salary Range
EPI	40	33	8	\$60,000 - \$69,999

Epidemiology Geographical Locations

Albany, New York
Atlanta, Georgia (3)
Baltimore, Maryland (2)
Bloomington, Indiana
Boston, Massachusetts (4)
Chicago, Illinois
Eureka, California
Fayetteville, Georgia
Lake Forest, Illinois
Lexington, Massachusetts
Little Rock, Arkansas
Miami, Florida
New Brunswick, New Jersey
New Orleans, Louisiana (8)
New York City, New York
Oklahoma City, Oklahoma
Philadelphia, Pennsylvania
Salinas California
Santa Fe, New Mexico
Springfield, Massachusetts

Epidemiology Employers and Job Titles

Employer	Job Title
Access Support Network San Luis Obispo County AIDS Support Network	PrEP Patient Navigator
Association of Schools and Programs of Public Health	ASPPH/CDC Public Health Fellow
Baystate Health System	Resident Physician
Biostatistics Consulting Center: Indiana University	Biostatistics-1
Boston Medical Center	Internal Medicine Resident
Childrens Hospital New Orleans	Infection Preventionist
Defiant Takes Football	Freelance Writer
Delaware Nation Industries	Data Analyst II
Emory University School of Medicine	Internal Medicine Resident
Guidehouse	Public Health Consultant II
Humboldt County	Epidemiologist
Johns Hopkins Bloomberg School of Public Health	Research Data Manager
Johns Hopkins Medicine	Research Data Analyst
Louisiana Department of Health's Office of Public Health	Public Health Epidemiologist
Louisiana Department of Health's Office of Public Health	Public Health Epidemiologist
Louisiana Public Health Institute (LPHI)	Health Evaluator and Epidemiologist
Louisiana Public Health Institute (LPHI)	Mortality Surveillance Epidemiologist
Massachusetts Department of Public Health	STI Quality Assurance and Surveillance Epidemiologist
Medicus Economics	Senior Analyst
MGH Lurie Center for Autism	Clinical Research Coordinator
Mount Sinai Health System	
New Mexico Department of Health	Epidemiologist
Northeastern University College of Health Sciences	Observational Health Data Sciences and Informatics Postdoctoral Fellow
Presbyterian Homes	Infection Preventionist
Rollins School of Public Health at Emory University	Public Health Associate
Rollins School of Public Health at Emory University	Postdoctoral Fellow
RTI International	Learning and KM Specialist, Act to End Neglected Tropical Diseases
The New York State Office of Mental Health	Research Scientist I
Tulane University	Assistant Professor
Tulane University	Clinical Research Scientist
Tulane University School of Public Health and Tropical Medicine	Postdoctoral Fellow
University of Arkansas System	Vascular Surgery Resident

University of Illinois at Chicago	Postdoctoral Fellow
-----------------------------------	---------------------

Epidemiology Continuing Education

Institution	Degree
Drexel University	Doctorate, Epidemiology and Biostatistics
Rutgers University New Brunswick	Doctorate, Epidemiology
