

2023 Tropical Medicine and Infectious Disease Career Outcomes Report

The 2023 Tropical Medicine and Infectious Disease Career Outcomes Report includes data from students in the graduating classes of August 2022, December 2022, and May 2023 in the Tropical Medicine and Infectious Disease Department. Data was collected through the First Destination Survey via the Handshake Career Management Platform. All data is self-reported.

2022 Tropical Medicine and Infectious Disease Class Profile

Education Level

Of the 24 student recipients in the Tropical Medicine and Infectious Disease Department, 21 students (88%) graduated with Masters Degrees and 3 (12%) students graduated with Doctoral Degrees.

Breakdown by Degree

In the 2023 cycle, 2 students received a Master of Science in Tropical Medicine, 19 students received a Master of Public Health and Tropical Medicine, and 3 students received a Doctor of Philosophy in Tropical Medicine.

Dept.	MS	MPH&TM	PhD	All Students	Survey Responses	Response Rate
TROP MED	2	19	3	24	23	96%

Tropical Medicine and Infectious Disease Response Rates and Outcomes

Of 24 Tropical Medicine and Infectious Disease student recipients, 23 responded to the SPHTM First Destination Career Survey for a 96% response rate.

Of the 23 students who responded, **100% are working or continuing education within 1 year of graduation.**

Tropical Medicine and Infectious Disease Graduate Outcomes

Dept.	Working	Continuing Ed.	Volunteering	Military	Still Looking	Unknown	Total
TROP MED	19	3	0	0	1	1	24

Employment by Sector

Of the 19 Tropical Medicine and Infectious Disease students that reported “Working” within 1 year of graduation, Employment Sectors included Higher Education, Government – Local, State & Federal, Healthcare, Non-Profit – Other, Pharmaceuticals, and Scientific and Technical Consulting.

Top Sectors	Reported Students (% of Students Working)
<i>Higher Education</i>	8 (42.1%)
<i>Government - Local, State & Federal</i>	4 (21.1%)
<i>Healthcare</i>	3 (15.8%)
<i>Non-Profit – Other</i>	2 (10.5%)
<i>Pharmaceuticals</i>	1 (5.3%)
<i>Scientific and Technical Consulting</i>	1 (5.3%)
Total	19 (100%)

Tropical Medicine and Infectious Disease Salary Ranges

The median starting annual salary range reported by Tropical Medicine and Infectious Disease graduates securing employment is **\$60,000 - \$69,999**. It is important to note that the salary data reported by graduates includes those that reported working as fellows or as full-time volunteers (i.e. Peace Corps) which typically offer a stipend and not a salary.

Of the 19 students that reported “Working”, 4 students (21%) chose to report their income.

Tropical Medicine and Infectious Disease Salary Ranges

Department	Total Students	Reported “Working”	Provided Salary	Median Salary Range
TROP MED	24	19	4	\$60,000 - \$69,999
