# 2024 Graduate Career Outcomes Report

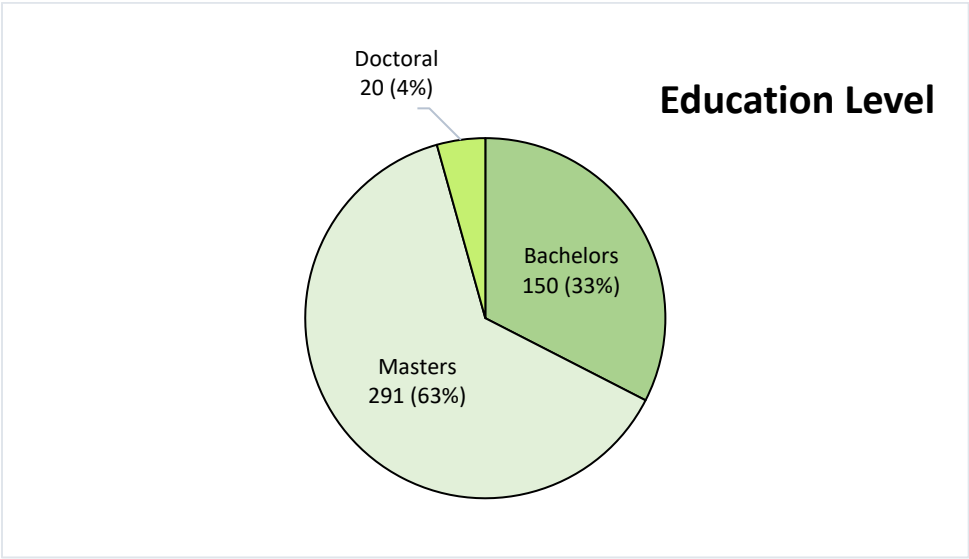

The 2024 Graduate Career Outcomes Report includes data from WSPH students in the graduating classes of August 2023, December 2023, and May 2024. Data was collected through the First Destination Survey via the Handshake Career Management Platform. All data is self-reported.

The First Destination Survey was distributed to 461 students with degrees in the Tulane University Celia Scott Weatherhead School of Public Health and Tropical Medicine. Surveys were sent beginning one month prior to each graduation term. Data was collected for one-year post-graduation. Aggregate data below represents members of the August 2023, December 2023, and May 2024 graduating classes, and all data is self-reported.

## Class of 2024 Profile
