Fall 2022 Final Exam Room Reservations

Final exams are scheduled according to the default class time except for courses offered on Friday and extended exams. Faculty has reviewed and approved the schedule. If you don't see your course the instructor opted not to have a final exam, or has chosen another time and/or method to administer the final exam. Please double check final exam status with instructor. Finals that are in red with an asterisk have an extended session beyond a normal class period and/or being offered on an alternate day and time than the default class time.
